All AccessRescue courses require payment in full prior to start of course.

Course payment can be sent to:

785 Clarry Hill Road

Union, ME 04862

Airports:

La Guardia (LGA) NYC
John F. Kennedy International (JFK) NYC
Newark Liberty National (EWR) Newark, NJ
Stewart International Airport (SWF) Newburgh/New Windsor, NY

Ground Transportation:

It is recommended that those arriving at one of the NYC area airports choose to utilize a rental car.

AccessRescue takes no responsibility for one's decision to utilize the NJ Transit system nor can we provide you with full details on how to utilize the system for the best travel experience. Our experience is that the system is safe and efficient.

www.njtransit.com

The NJ Transit does provide extensive bus service to northern New Jersey. This bus option can be difficult to understand if one is not accustomed to the use of major metropolitan bus lines. The nearest bus station utilizes the 752 bus and the drop is near Coppertree Mall at Ramapo Valley Road and Yawpo Avenue. This bus stop is one mile from AccessRescue and is a safe and easy walk (sidewalks) to AccessRescue.

<http://www.njtransit.com/pdf/bus/T0752.pdf>

NJ Transit also provides rail service to the north New Jersey area. The closest train stations to our training facility are not within walking distance so utilization of the rail lines would require a cab/uber from the train station to AccessRescue. The nearest train stations are Waldwick and Allendale. Others in the vicinity but further from AccessRescue are Ramsey Route 17 and Mahwah.

Hotels:

The closest hotel to the AccessRescue training facility is Baymont by Wyndham Pompton Plains Wayne.

The following hotels offer AccessRescue students a discount off their lowest rates. ***You must notify them that you are training at AccessRescue to receive the discount rate. If they do not recognize AccessRescue, please work with the associate to ensure correct spelling.***

General Information Pertaining to All AccessRescue Courses:

All equipment is provided for use during AccessRescue courses at the AccessRescue training facility. Students need only bring suitable footwear and appropriate clothing (stretchy pants are strongly recommended, jeans are not a good choice). Safety toe footwear is not required. If student has suitable CE/ANSI climbing helmet with chinstrap, they may utilize it during training. Snug fitting gloves are recommended but not required.

Required Items for Each Student

- *Long pants. Shorts can be worn during summer training sessions.*
- *Closed toe shoes. Steel toe boots are not required but can be worn.*
- *Snug fitting gloves optional (no utility or fire gloves).*
- *Eye protection (recommended, not required except during work scenarios)*
- *We provide helmets but student may choose to bring personal suitable climbing helmet with chinstrap.*
No fire or construction helmets.

Required Items for SPRAT Certification

- 1. Government Issued Identification (drivers license, passport etc.).*
- 2. Up-to-date SPRAT logbook with supervisor signatures and cumulative hour totals (Level II's & III's only).*
- 3. Minimum of 18 years of age.*

Please feel free to contact us at any time with questions.

AccessRescue Course Refund and Other Policies:

Courses are refundable minus a \$125.00 administrative fee if request is made 31 days or more prior to start of course.

Courses are refunded minus a \$500.00 fee if request is made 15 days or more prior to the start of course.

Courses are not refundable 14 days or less prior to start of course, nor for the inability of a student to complete a course.

Please contact us to make arrangements for special circumstances that may require variation from our refund policy.

Absolutely no refunds are given for a students inability to complete a course.

AccessRescue reserves the right to cancel courses for any reason. This typically does not occur. Some potential reasons for course cancellation include but are not limited to low course student registrations, severely inclement weather (disaster), or major instructor illness (typically alternate instructor will fill in). Course tuition will be refunded in full. AccessRescue is not responsible for student expenditures or work loss due to course cancellations. We work very hard to avoid this type of situation.

Disclaimer:

AxcessRescue training is physically demanding and requires a strong level of physical fitness. You will be required to climb and descend rope for the entire duration of the class and evaluation session. Prospective attendees that exceed 210 pounds or those that have physical fitness concerns should contact us prior to course registration. Attendees must be able to, at a minimum, squat and stand without assistance 10 times. Leg strength is required to continuously climb and to perform complex rope access maneuvers. All students are encouraged to see their doctor prior to starting any of our courses. Those with cardiac conditions, obesity, surgeries within the past 12 months, or other physical impairments are responsible to see their doctor prior to attempting an AxcessRescue course. AxcessRescue is not and cannot be responsible for inability to complete a course or successfully pass an evaluation session, or for any condition arising from the exertion required to participate in a course. Course refunds due to inability to complete a course are not available. AxcessRescue is not and cannot be responsible for the failure to read this information in full. This disclaimer is not and cannot be fully inclusive of all potential reasons for attendees inability to complete a strenuous activity such as a rope access or tower climbing course.

Course attendees will be required to sign a waiver of liability prior to starting the course.

AxcessRescue reserves the right to turn away students at our discretion that cannot speak, read, and fully understand the English language. No refunds will be provided in this case. Please contact us directly for information regarding courses taught in languages other than English.
